MISSION UNITED

Connecting **Veterans, Active Duty Service Members, And Their Families** With The Services They Need.

PROUDLY SERVING THOSE WHO SERVED.

Mission United is a collective effort that addresses the complicated and fragmented systems for veteran services currently in place. It is a community collaboration that serves as a central contact for Veterans and their families to access community support, ensuring that they are never more than two steps from the help they need. Mission United identifies gaps and creates systemic change in the veteran services sector.

For Veterans, active-duty Service Members, and their families, help can be reached by dialing 2-1-1.
