

# PROJECTDASH

HELPING BRIDGE THE GAP FOR FAMILIES IN NEED.

UnitedWay, in partnership with DoorDash and Golden Harvest Food Bank, is proud to offer Project DASH, a vital service helping those with food insecurities and transportation barriers access the essentials they need.

## WHAT WE DO:

We work with local food pantries and nonprofits to deliver essential items—such as food, hygiene products, and household necessities—directly to the doorsteps of neighbors who need them most.

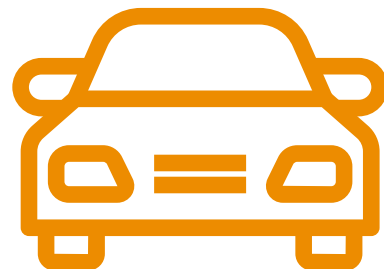

This service is completely **FREE** to individuals who are unable to access these items on their own, including:

- New mothers
- Seniors who are homebound
- People with disabilities
- Families facing transportation barriers

## NEED ASSISTANCE?

If you or someone you know could benefit from this service, please call 211 for more information or to schedule a delivery.

No one should have to choose between food and other essentials. Join us in making a difference. Together, we can ensure that help reaches those who need it most.

## HOW IT WORKS:

- Deliveries are made to locations within 10 miles of our distribution point on Broad Street in Augusta
- We are actively working to increase delivery points to reach even more people.
